Annual Report 2022-23

The academic year 2022-2023 began with a strategic overview and vision for the year and the discussion stressed on the need for identifying the stakeholder's expectations[students, parents, employers & society]. Faculty teams deliberated on the required strategies, processes, capabilities and appropriate performance measures to realize the vision. The annual report of this year in review reflects in a variety of ways how the department has connected to its vision, primarily at three different levels- faculty development, curriculum and student development. Significant achievements worth mentioning belong to the area of faculty development. The faculty learning circles provided a platform for professional and intellectual dialogues while on the other hand FDP, and QIP raised their curiosities about various concepts and led to widened and strengthened intellect

With respect to students, the focus was to introduce new teaching methodology that would engage them more thoroughly and enhance the learning experience. Many students-centric initiatives were introduced. The peer learning system was introduced for all the first-year classes. Groups were made blending a mix of gender, learning abilities, language and region. Advanced learners were identified as group leaders to facilitate learning of group members within and outside class-rooms. Leaders directly connect with the class/subject teachers with problems of individual group members that were addressed appropriately. This peer learning exercise proved to be advantageous in two ways- firstly the students benefited from the collaborative and cohesive learning and secondly the teachers were able to focus on mentoring.

Student mentoring and attendance follow was continuously monitored by all class teachers which reflected in their attendance percentages and performance in examinations.

New initiatives were taken on the student support front. For instance, all faculty members were appointed as mentors to serve and guide the students with special needs and likewise to cater to the students of international origin. For the students who had backlogs, special coaching and remedial classes were arranged which in turn helped them to clear the papers and complete the programme within the stipulated period.

A landmark achievement was that 3 of the students got a scholarship , The programme in MOU signed with Sujata Institute of Computer, Pune and was offered to the B.voc students to pursue the Advance Excel/Tally with GST/E-Filing certification which is highly recognized among Excel globally. The coaching by industry experts was undertaken in the Offline Mode and was open to both the students and faculty members.

Prof Jadhav T. D did anchoring of the programme and Dr. Humbad P.E. Proposed vote of thanks.

Career guidance in Association with Will Foundation (22-11-2022)

Career guidance plays a very important role in the lives of all individuals, as it helps in setting future goals and chooses careers. Career guidance is much needed service to those who did not plan for their future at an early stage. More should be done to assist the younger generations in personal career development. When Under Graduate students have a clear understanding of the best career choices for them, the end result is better planning, more college

enrollments, and a more productive society for the future. For this, Will Foundation is playing an important role by conducting career guidance seminars to the college students

In this workshop we have planned to make students understand different career opportunities, procedure to appear those careers, different competitive exams and also planned to make them to understand the importance of having goal and passion and hard work to achieve the desired goal. For that we have involved some social games and shown motivational video clips to the students who all were participated in the workshop.

Participation in Science Exhibition

Mamasaheb Mohol college , Paud Road , Pune organised a science exhibition on 12th Dec 2022, on the occasion of birthday of the backbone of Pune District Education Association , Padmavibhushan , Respected Shri Sharad Pawar Saheb , The exhibition is organized in seminar hall. 65 Students of B.voc department were participated in this exhibition. There are project models presented by B.voc department F.Y.B.voc Students have prepared models. It is a group activity. Various models are prepared but best of them are selected to Participated in exhibition.

Students presented the projects related to B.voc subjects like calculation and rates of Retailing. Marketing , Web Designing , Operating system etc. Besides this student also prepared projects related to Science, trigonometry, natural sources of energy, technology like ATM Machine, Newton's cradle, solar energy etc. is especially remarkable. S.Y.B.voc students presented charts on various B.voc related subjects.

Guest Lecture on Entrepreneurship

Guest Lecture connected on 7th January 2023. The speakers were Dr. Ravindra Utgikar (Vice President, Carports Strategy & Marketing Praj Industries Ltd.

The session started with introduction to "entrepreneurship". How one should be passionate about making their ideas work. The duo discussed how starters need to have everything properly planned before start. The speakers also spoke about the prerequisites of starting a business and running it in a profitable manner. All this was explained by discussing start-up stories of Paytm, Fresh menu, Flipkart, Ola, Uber, Swiggy as well as their own journey. They also discussed different strategies which entrepreneurs are making to attract customers like

free deliveries, exchange policies, discounts through their online apps, concessions on first order etc. Students wanted to know how to spot opportunities and how their education helped the young entrepreneurs with planning, financing and managing their businesses. They conveyed the importance of proper planning and structured learning through education. A short quiz on famous personalities was also well received by the students. The session ended with a question answer round. The session was informative and interactive.

Research paper competition

Research paper competition 2022-2023 was organized by the Research Committee on 06th February 2023. It was organized under the guidance of Hon. Principal Dr. G. P. Satav. Hon. Principal gave guidance on why students should turn to research. Similarly, the students were also guided on how to choose the topic, what should be its objective, what should be the hypothesis, how to choose the sample size while writing the research paper. Students asked questions relating to the research to the principal of the college and principal G.P. Satav sir gave satisfying answers to the students. Also IQAC Coordinator Dr. Rane guided the students on how to write a research paper.

IQAC Coordinator Dr. Sapana Rane, Dr. Meghna Bhosale, Dr. Prakash Humbad and other professors of the B.voc department were present for this competition. This competition is organized by the Research Committee.

For the Avishkar competition 15 students actively participated and also presented research papers. From these students two students achieved ranks- 1) Mane Asha, 2) Jadhav Tanaji. Also there is a lecture arranged on Research Methodology and for this lecture 19 students prepared and presented their research papers. Following them three students achieved ranks- 1) Vijayakanth More, 2) Jadhav T.D., 3) Zaware Prajkta.

Two Day National Conferences

Two days National Level Conference on National Education Policy in India on 16th and 17th February, 2023 organized by Department of B.voc and Research center and Economics in Association with Savitribai Phule Pune University, Pune

The main objective of this Conference was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to familiarize them with the skills to help them understand its nuances, curriculum changes, shift in the pedagogical skills and its implementation for the 360-degree holistic development of its stakeholders, the students.

In this conference 73 Research Paper are presented by Participants all over India out of them 27 Participants out of Maharashtra, 25 out of University.

It was a very enriching and informative session. All the participants were filled with new zeal to start working on its implementation in their own spheres.
