The objective of this activity was to give students a brief understanding of the upcoming internal examinations and help them prepare. A total of 28 students actively participated in this test.

The surprise test was conducted by Prof. Manisha Khandale and Prof. Pratiksha Chavan, under the guidance of Prof. Jadhav T. D., Head of the B.Voc Department.

3. 17th January 2025 – Business Field Study Visit (Belawade Village)

On Friday, 17th January 2025, during the NSS camp held at Belawade village, Prof. Manisha Khandale from the B.Voc department visited the site and conducted a business field study along with the students from the camp.

During this visit, she interacted with the villagers and asked questions such as:

- What are the main businesses in the village?
- How are these businesses operated and by whom?
- Where are the products sold?
- What challenges are faced in reaching the market?
- How much initial capital is required?
- From where is the funding obtained?
- What government schemes are available?

These questions were posed to help students understand the local business ecosystem, and all camp participants were given an opportunity to observe and learn about the practical aspects of rural enterprises.
