EDC INTEGRATED REPORT 2018-19

Entrepreneurship Development Cell has started in this academic year 2018-19 under the guidance of Principal Dr. Sushama Bhosale. The goal of this committee is to create and nurture self-employment environment in the college. The cell has encouraged all commerce, arts, computer science, junior college and vocational students to participate in business oriented activity. The cell has arranged three bazaars in the academic year 2018-19. Students from all of the above departments participated into it.

The function of this committee has begun with “**Entrepreneurship awareness programme**” conducted on 24th July 2018 for Arts, Commerce, Computer science and vocational students. On this occasion Shri. Suresh Umap, Regional officer, Maharashtra Centre for Entrepreneurship Development has been invited as a resource person.

On 25th July 2018 Entrepreneurship Development Cell has been organized business fair “**Bazar@mmc**” to develop entrepreneurial nature in the students. Total 20 stalls were kept by the students in this fair. These stalls include foods, vegetables, books, jewelry etc. In this month food & snacks stall received huge response. These stalls did very good sale.

This cell has also taken an initiative for the associate-ship of Maratha Chamber of Commerce, Industries and Agriculture. On 10th August 2018 College has received the membership of this organization. This membership will help the college to understand the scope of entrepreneurship.

On 25th August 2018 Entrepreneurship Development Cell has been organized another business fair “**Bazar@mmc**”. Total 19 stalls were kept by the students in this fair. In this bazar LED bulb stall, bags, rakhi stall etc. were there.

Besides that, through this cell college has entered into Memorandum of Understanding on 29th August 2018 with Maharashtra Centre for Entrepreneurship Development. This MOU is for the period of four years. The cell is looking forward to conduct entrepreneurial workshop for the students with MCED.

Recently, Entrepreneurship Development Cell and Placement committee has jointly organized “**Career Counseling**” workshop for the students with Endeavor career Pvt. Ltd on 21st Sept 2018. With this students came to know various fields of placement and business.

All the above bazaar activity received excellent response from students. Students were very enthusiastic in trading activity. They get good experience of small scale business. Besides that, entire staff of college also cheered this activity.

On 12th December 2018 cell has been organized another business fair “**Bazar@mmc**”. Total 40 different stalls have been kept by the students which include mobile accessories, readymade garments, jewelry stalls etc. In the said month students has given tremendous response and kept their stalls on large scale. With this activity students have developed their communication skills and they well tried to improve business skills as well.

After the success of three consecutive business fair i.e “**Bazar@mmc**” entrepreneurship development cell has moved one step ahead in its objective and executed two days skill Based workshop on “Craft and paper bags” under the guidance of Principal Dr. Sushama Bhosale. This workshop has been jointly conducted by the Savitribai Phule Pune University, Pune [Board of student Development] and PDEA’s Mamasahab Mohol College [Entrepreneurship Development Cell]. More than 50 students have participated in this workshop.

After the success of three consecutive business fair i.e “Bazar@mmc” entrepreneurship development cell has moved one step ahead in its objective and executed two days skill based workshop on “**Craft and paper bags**” under the guidance of Principal Dr. Sushama Bhosale. Students have enthusiastically participated in this workshop and practically implemented artificial flowers and paper bags. More than 50 students have participated in this workshop.

EDC INTEGRATED REPORT 2019-20

- **Mehndi workshop:-**

The beginning of academic year 2019-2020 started with workshop of “Mehndi drawing skills” which has been conducted on 25th July 2019. This workshop received pretty good response from girls students. The motto behind to conduct this workshop was very clear that, to create the self-employment in the field of beautification and art. The resource person for the said workshop was Ms. Shilpa Modak who has given a very good guidance to students through practical. Not only the students but also all ladies teaching and non-teaching staff have participated in the workshop. This workshop was inaugurated by Dr. Yogesh Pawar NAAC coordinator, IQAC coordinator Dr. Sapna Rane and H.O.D Comp. Science Prof. Santosh More.

- **Skill Development lecture:-**

The Entrepreneurship Development Cell organized guest lecture of “Skill India Scheme” on 30th July 2019. Students have given positive response by attending the lecture in maximum numbers. In this lecture, students have received the guidance from Ms. Vaishali Naik who is an entrepreneur in the field of fashion designing. She has been privileged by “Pradhanmantri Kaushalya Vikas Yojana” and then she moved on to start the business. Her guidance was

- **LED bulb making workshop:-**

The Entrepreneurship Development & Placement Cell always tries to implement innovative ideas in the form of workshop, bazar etc. This year also committee followed this trend and conducted workshop of “LED bulb making” on 16 th Sept 2019. Hon. Principal Dr. Sushama Bhosale has given full support and guidance in this activity. This workshop is a joint venture of IQAC & Electronics Department and Vocational wing. IQAC & Head of Electronics dept Dr. Sapana Rane, Chairman of Entrepreneurship Development & Placement Cell Prof. D.D Pokhalekar and Prof. Radhika Ippakayal have planned and organizes entire activity for F.Y.B.Sc(CS), S.Y.B.Sc(CS) and vocational students. Students from F.Y.B.Sc(CS), S.Y.B.Sc(CS) and vocational students learns electronics subject in their curriculum therefore “LED bulb making” topic has been selected for the workshop.

Prof. Radhika Ippakayal from vocational wing has well explained the students about soldering process that implements on LED circuit. At the same time Prof. Nita Deshmukh, Prof. Varsha Varpe also assisted and monitored entire workshop. Around 62 students have participated and enjoyed the workshop. This workshop will definitely be proved fruitful in student’s career aspect.

Time: 09-16-2019 11:11
Note: LED bulb making
