SWOC ANALYSIS OF THE INSTITUTION

STRENGTHS:

1. The institutional supports are available from the parent institute, UGC, University of Pune and Government of Maharashtra.
2. The stakeholders like parents, alumni, NGOs, industries participate in college activities.
3. The institute has well qualified, sincere and committed teaching and non teaching staff.
4. The faculty is also engaged in various research activities like sponsored projects, guiding students and publishing research papers, articles, books regularly.
5. The parent institute has framed a broad policy and office bearers provide regular assistance for smooth and efficient functioning of the institute. The institute has a local management Committee; the decisions are taken and implemented accordingly throughout period.
6. The institution provides education primarily to slum dwellers, economically and socially back ward classes.
7. There is financial discipline in the institute like preparing annual budget, plan for development of college, accounts are prepared daily and internal/external audits are conducted.
8. The faculty is involved in conduction of University Exam and evaluation programs.
9. The P.G. Courses like M.A. (Economics) M.A. (Marathi), M.Com., M. Sc. (Comp. Sc.), MCA (Science) are available in the institution.
10. The college has good Library facility; book bank scheme and reading room facility are available to students. There is AV (Audio Visual) room, Computer, commerce and Electronics Laboratories with ICT facility.
11. The available space is optimally utilized for activities like YCMOU Study Center, various central/state recruitment exams like CS, Bank exams, MPSC exams.
12. The institute is located in main city.
13. The institute has well equipped gymnasium with strength training equipments. In spite of small playground students of the Institute have made remarkable improvement in individual events like Weight Lifting, Power Lifting and Best Physique Competition
14. The institute conducts large no of outreach programs through NSS, student welfare, adult continuing education and Ex- mural board.
15. The Institutions has its cooperative consumer store.
16. Internet facility is available to the faculty as well as students.
17. All Departments are actively involved in social, Academic, Educational & Carrere enhancement activities.
18. Healthy teacher – taught relationship
19. Participatory Management.

WEAKNESS:

1. Horizontal expansion of the building is restricted due to space constraint.
2. The area of play ground is small.
3. The students of low merit are admitted to the institute.
4. There is no hostel facility for students.
5. The students from other state and abroad do not show their interest to join the institute.
6. The college is located in slum area; hence the approach road is not convenient.
7. The institute is surrounded by big educational institutes.
8. Economically and academically backward students
9. Absence of Consultancy & adequate collaboration.
10. Lack of hostel facilities especially for girl students.

OPPORTUNITIES:

1. The education quality can be enhanced and sustained through more curricular and co curricular activities.
2. Placement activities for students of the institute can be increased.
3. The Students with higher merit and from other states can be attracted to enroll in various courses to join the institute.
4. The faculty can enhance with their research activities and can be involved in collaborative activities and consultancy.
5. The institute can introduce some more job oriented courses.
6. The institution can undertake collaborative activities with other colleges of parent institution PDEA.
7. The institution can conduct online internal examination for subjects like environment awareness.
8. The institute can augment infrastructure.
9. Scope for starting Research Centre in commerce Faculty
10. Organization of National & International seminar by various Departments.
11. There is scope for starting B.A special courses in English.
12. College has an opportunity to provide wide scope to lift social & economic backward students.
13. Career oriented short courses and add on courses.

CHALLENGES:

1. Globalization and privatization of higher education.
2. As per government policy some P. G. and U. G. courses are run on permanent non-grant basis.
3. The student strength has decreased for some N.G. courses like B.Sc. (Comp. Sc.), B.C.A. and M.A. (Marathi).
4. Majority of students are from poor family back ground hence most of the students are doing part time job hence there is difficulty in grooming of such students.
5. There are many big competitive colleges located in nearly area of the college
Innovation in teaching – learning process.
