Soft skill Development Cell
Report 2024-25

23/07/2024 A seminar on "Women's Health and Hygiene and Personality Development" was organized at Mamasheb Mohol College, Pune District Education Board, on July 23, 2024, under the guidance of the college principal, Dr. Sharmila Choudhary, on the occasion of the birthday of Honorable Deputy Chief Minister of Maharashtra and President of the Pune District Education Board, Ajit Dada Pawar Saheb. The event was conducted by the Women's Cell for female students, women faculty members, and non-teaching staff.

In this seminar, Sonali Bhagwat, a representative from Campus Connect, guided students on menstrual health, including precautions to take during menstruation, mental and physical well-being, hygiene, diet, and exercise. Additionally, she provided practical examples on what students should do in their daily lives for personality development.

Personality is not just about how we look or talk; it's about how we think, behave, and interact with the world. College is the perfect time to work on developing a strong and confident personality because the habits we build now will shape our future.

So, how can we develop our personality? Here are a few key points:

1. Confidence is Key – Believe in you. Even if you fail, learn from it and move forward with a positive attitude.
2. Communication Matters – Work on your speaking and listening skills. The way you express yourself can open doors of opportunity.
3. Be Open to Learning – Knowledge and skills are what set you apart. Stay curious, read, and engage with different perspectives.
4. Build Emotional Intelligence – Understand your emotions and respect those of others. This will help in both personal and professional relationships.
5. Develop a Growth Mindset – Challenges are opportunities in disguise. Keep pushing yourself beyond your comfort zone.

Your personality is your unique identity—embraces it, refine it, and let it shine. The world is full of opportunities, and a strong personality will help you seize them.

Furthermore, Sachin Jadhav, a representative from Procter & Gamble, distributed Whisper sanitary napkin packages to 100 female students.

The entire event was coordinated by Dr. Rupali Shendkar, Coordinator of the Women's Cell. The program was anchored by Prof. Kirti Karanjavane, the speakers were introduced by Dr. Swati Shinde, and the vote of thanks was delivered by Dr. Shobha Titar.

The event was graced by the presence of Dr. Meghna Bhosale, Vice-Principal of the College, and Dr. Sunita Dakle, Head of the Commerce Department, along with active participation from female students, women faculty members, and non-teaching staff.

Lecture by Sonali Bhagwat, a representative from Campus Connect
